To Whom it May Concern,

I am writing to recommend Villapower Global Services Inc for Staffing Services.

I have worked alongside Villapower Global Services Inc for 3 years as a subcontracted company for my hotel.

I have always known the employees and management team of Villapower Global Services Inc to be of sound character. Their Team have always been compassionate, honest, sincere, and most importantly flexible. Over the course of 3 years I have witness the tremendous growth of Villapower Global Services Inc as a company. Growth in their Management team as far as leadership and negotiation. As well as growth in their employees with their team work and organization. Their company as always came through when we are needing last minute manpower for special events with reliable workers regardless of how short notice the request is.

This company's work ethic is unmatched, their employees are extremely reliable and hard working. Every member of their team always provides excellent services in their dedicated position.

Please do not hesitate on contacting me at 321-337-2563 or [lsantana@wyndhamorlandoresorts.com](mailto:lsantana@wyndhamorlandoresorts.com) if you have any further questions or requests.

Sincerely,  
Leo Santana  
Engineering Director
